

The Jarrett Report

November 13th, 2017

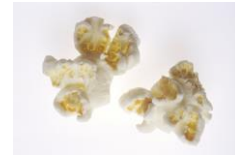

Volume 2, Issue 4

Bedroom Picker Upper

The children did an awesome job on their bedroom picker uppers! We have some very creative inventors and I look forward to their future inventions! There were several great videos turned in of children cleaning their rooms!

Science

Last week we worked on Convection, Radiation and Conduction. We observed popcorn being popped using each of these heat principles. Students need to understand the difference between conduction, convection and radiation. We also designed solar ovens. Each team made a control solar oven and an oven with 1 modification to test. We will be cooking s'mores next week on a nice weather day.

Constructing Solar Ovens out of Pizza Boxes

Science Vocabulary Link:

<http://www.unitedstudentsofjarrett.net/Homework.htm>

The following Link take you to my weather videos and games that can help your child become proficient with the weather concepts taught this quarter.

http://www.unitedstudentsofjarrett.net/Science_Weather.html

3.01 The learner will conduct investigations and use appropriate technology to build an understanding of weather and climate.

**WEATHER
PORTFOLIOS DUE
THURSDAY**

Weather Portfolio

PLEASE CHECK the progress of your child on the Weather Portfolio.

I have given some class time to work on this, but some students will require additional time outside of the classroom. It will be due **November 16th**. The graphing of data has been taught in class and we will be using Google Sheets so that they are able to keep it on their Google Drive. The school does not have color ink so they would be better if they are printed at home.

5.E.1 Understand weather patterns and phenomena, making connections to the weather in a particular place and time.

Weather Reports

Schedule of Weather Reports Remaining

Nov. 13 th	David
Nov. 14 th	Princess
Nov. 15 th	Nikki
Nov. 16 th	Noah
Nov. 17 th	Brooke
Nov. 20 th	Drew
Nov. 21 st	Christian
Nov. 27 th	Julie
Nov. 28 th	Brody
Nov. 29 th	Ryan
Nov. 30 th	Reed
Dec. 1 st	Zymeer
Dec. 4 th	Jhynasis
Dec. 5 th	Katie
Dec. 6 th	N'Keyah
Dec. 7 th	Elijah
Dec. 8 th	Emily
Dec. 11 th	Lydia

Website

I have moved the Quizlet Science words to the homework page to make sure that all children/parents know where to find them. I hope that makes it easier for quick usage. I also updated the student pages with 2nd quarter attendance, Dojo & Honor Students. To receive Honor Student Status a child must have 3's or 4's in the major headings.

Visiting Story Teller

The PTS Cultural Arts Committee had Story Teller **Donna Washington** entertain the children with delightful stories on Thursday.

Revolutionary Book Report Project

Most children have chosen their Fiction book for the Revolutionary Book report project. Please check with your child to see that they have a book and that they are making progress and taking notes for their project. **Completion of this project is rapidly approaching.**

Reading Log

Students should be keeping track of their reading with the reading logs. I am checking them once a week. Each student will be given a different day of the week to have their reading log checked to help with the reading conferences. They need to be signed by parents weekly. Many reading logs are not being filled out correctly. Please help your child remember to fill out their reading log. They will be receiving patches to display their reading successes each quarter.

Math

We will be taking a test this week covering their understanding of Geometry concepts as well as Coordinate Grids. Then we will be moving to multiplication with decimals. Please have your child redo errors in math. I will re-grade them if the students take the time to make the proper corrections. They must write an explanation as to why they made the error for each problem. I look very favorably upon those that redo work they have made error on. A good game to be playing right now to help with the coordinate grids coming up is **Battleship**. This game will help with the concept and make it fun.

Washington DC Deposit

I sent home current payment balances last week. It is \$80.00 per person. The total cost of the trip is \$240.00 per person. If you need to break up our payments please let me know so we can make arrangements. Payments made out to DRES may be check, money order, cashier's check or cash. **You are now able to make payments on-line from the Durant Road Home Page!** (Please note there is a service charge with the on-line payment).

Reading Readvolution

There is a link to the Readvolution login page on the DRES Website Banner. Click on Login in upper right corner. Once you get to the page, you will see Wake ID credentials. Students can simply pull down and select student, user name: lunch # Password :lunch # Then they click on add log.

The Jarrett Report

Volume 2, Issue 4

****Remember every student who logs 20 books by January will get Hockey Tickets to the Carolina Hurricanes. This contest won't hurt your reading log either!**

NEEDED:

For Holiday Rotations

Bugle Beads	Small Ornaments
 Need Tons of these	 Like these but colored – Need 150

Help Needed

- Someone who would come and sit with a child on a regular basis just to listen to him read aloud. Could simply be 20 minutes a day 3 to 5 days a week. This would be in the morning or afternoon.
- Someone to cut & make 120 sets of spider legs

Up Coming Events

- **November 15th – Coordinate Grid Test**
- **November 16th – Weather Portfolio Due**
- **November 21st – Early Release**
- **November 22nd - 26th - Thanksgiving - No School**
- **November 28th - Science Weather Test**
- **December 4th - Revolutionary War Book Report**
- **December 18th – 20th - Holiday Play?**
(Student Written & Produced - Exact Date & Time closer to the event. This will only happen if behavior is excellent! School work is priority.)
- **December 21st – Holiday Rotations**
- **December 21st - Track Out - Early Release Day**
