November 27th, 2017

Volume 2, Issue 5

Science

Last week we continued our investigation on Convection, Radiation and Conduction. Student groups tested their solar ovens, both control oven and variable oven collecting data by taking temperature readings each 5 minutes while they baked S'mores

Website

I have moved the Quizlet Science words to the homework page to make sure that all children/parents know where to find them. I hope that makes it easier for quick usage. I also updated the student pages with 2nd quarter attendance, Dojo & Honor Students. To receive Honor Student Status a child must have 3's or 4's in the major headings.

Revolutionary Book Report Project

Most children have chosen their Fiction book for the Revolutionary Book report project. Please check with your child to see that they have a book and that they are making progress and taking notes for their project. **Completion of this project is rapidly approaching.**

Reading Log

Students should be keeping track of their reading with the reading logs. I am checking them once a week. Each student will be given a different day of the week to have their reading log checked to help with the reading conferences. They need to be signed by parents weekly. Many reading logs are not being filled

out correctly. Please help your child remember to fill out their reading log. They will be receiving patches to display their reading successes each quarter.

Math

We will be taking a test this week covering their understanding of Geometry concepts as well as Coordinate Grids. Then we will be moving to multiplication with decimals. Please have your child redo errors in math. I will re-grade them if the students take the time to make the proper corrections. They must write an explanation as to why they made the error for each problem. I look very favorably upon those that redo work they have made error on. A good game to be playing right now to help with the coordinate grids coming up is **Battleship**. This game will help with the concept and make it fun.

Washington DC Deposit

It is \$80.00 per person. The total cost of the trip is \$240.00 per person. If you need to break up our payments please let me know so we can make arrangements. Payments made out to DRES may be check, money order, cashier's check or cash. **You are now able to make payments on-line from the Durant Road Home Page!** (Please note there is a service charge with the on-line payment).

Reading Readvolution

There is a link to the Readvolution login page on the DRES Website Banner. Click on Login in upper right corner. Once you get to the page, you will see Wake ID credentials. Students can simply pull down and select student, user name: lunch #
Password :lunch #.
Then they click on add log.

****Remember every student who logs 20 books by January will get Hockey Tickets to the Carolina Hurricanes.** This contest won't hurt your reading log either!
