Revolutionary Book Report Project

Due December 4th – Tomorrow & Presentations begin of the projects. I am looking forward to seeing what the children have done with their Revolutionary War Projects!

Reading Log

Students should be keeping track of their reading with the reading logs. I am checking them once a week. Each student will be given a different day of the week to have their reading log checked to help with the reading conferences. They need to be signed by parents weekly. Many reading logs are not being filled out correctly. Please help your child remember to fill out their reading log. They will be receiving patches to display their reading successes each quarter.

Science

Students have completed their weather unit and taken the final test. I will be collecting science notebooks this week for a grade on vocabulary words and notes. We will continue with our Science Vocabulary for the remainder of the quarter. Several students had perfect scores on the End of Unit test. "Wow, studying really paid off!" Princess stated in amazement.

Math

This week we will be finishing up multiplication of decimals and moving into division of decimals. The modeling of the process has been difficult for some children and it simply takes practice. It is not a process that most of you as parents learned in school. On my webpage there are links on how to draw the model.

Reading Readvolution

There is a link to the Readvolution login page on the DRES Website Banner. Click on Login in upper right corner. Once you get to the page, you will see Wake ID credentials. Students can simply pull down and select student,

user name: lunch #

Password :lunch #.

Then they click on add log.

****Remember every student who logs 20 books by January will get Hockey Tickets to the Carolina Hurricanes.** This contest won't hurt your reading log either!
