

# The Jarrett Report

December 11<sup>th</sup> , 2017

Volume 2, Issue 7

## City Council – Angel Tree

City Council would like to thank everyone that helped with the Angel Tree Project!

## Revolutionary Book Report Project

Several students still need to present their projects and we will continue presentations this week. The projects have been wonderful!

## Reading Log

Students should be keeping track of their reading with the reading logs. I am checking them once a week. Each student will be given a different day of the week to have their reading log checked to help with the reading conferences. They need to be signed by parents weekly. Many reading logs are not being filled out correctly. Please help your child remember to fill out their reading log. They will be receiving patches to display their reading successes each quarter.

## Weather Reports

Schedule of Weather Reports Remaining

Dec. 11 <sup>th</sup>	Lydia
Dec. 12 <sup>th</sup>	Elijah
Dec. 13 <sup>th</sup>	Jhynasis
Dec. 14 <sup>th</sup>	Emily

## Reading Readvolution

There is a link to the Readvolution login page on the DRES Website Banner. Click on Login in upper right corner. Once you get to the page, you will see Wake ID credentials. Students can simply pull down and select student, user name: lunch #  
Password :lunch #.  
Then they click on add log.

**\*\*Remember every student who logs 20 books by January will get Hockey Tickets to the Carolina Hurricanes.** This contest won't hurt your reading log either!

## Math

This week we will be working on dividing decimals using base 10 models, grids, and number lines. Students are not required to understand the standard algorithm, but the models are required. I will show the students the standard algorithm, but it is not expected for the 5<sup>th</sup> grade standards.
