

The Jarrett Report

November 4th, 2019

Volume 2, Issue 1

Goal Setting Conference **NEEDED**

I want to make sure that every child has the opportunity to have a goal setting conference with their parent/(s). We will be meeting in the Media Center Wednesday starting at 7 am and meeting until 9:00 am. You are welcome to come at the time somewhere in there that works best for you.

Math

Last week we worked on fractions and took a test over multiplication of fractions with models. Most children did an exceptional job and I was pleased with the test results. There are a couple of kids that need additional reinforcement at home to help cement the concepts.

Dream Box

All students are required to complete at least 6 lessons a week as a Wake County expectation. Students will not be going to Club Friday in the starting this week without Dream Box expectations met. Students can do in class as well as at home.

Students may rework any missed problem on a separate sheet of paper for full credit. They must write an explanation

as to why they made the error for each problem. I look very favorably upon those that redo work they have made error on.

Fantasy Unit

Students will begin working in their Fantasy Groups this week. I think this is going to be awesome and the children seem to be excited about the opportunity.

Science

Students will be working with Mrs. Miller this week on Experimentation and learning about Controls and Variables as well as Fair Tests.

Quizlet Q2 Week 3

This is corrected for this week. It should be completely up to date.

Amazon Wish List

- Someone who could make an in room sewing repair on the back of the leather couch.
- Someone to epoxy or repair a couch leg.
- Someone who could repair or replace cover on one of the large Class pillows.
- Pillows could all probably use a cleaning/ maybe even new inserts.
- **Cans of Soda** - Math Tests
- **Hershey's Bars** – for Science Tests
- **Crickets for reptiles** – would love this once a month for the Critters.
- **Paper is once again needed** 😞

Up Coming Events

- November 6th – Goal Setting Conferences
-

**Please note that I update this list weekly. There are many tests not listed yet, because I am not exactly sure where they will fall until we get closer to the date. * Every Friday we have a math 4-Today Test & a Science vocabulary test. I do not list this routine type of testing in the upcoming events.*
